

## Summit 2025 Speakers - Resources

We encourage host site locations to provide a resource table for Summit attendees.

You will find suggested resources, ordering information, and other important information at the Host Site page: <https://www.inciiteevents.com/legacyhostsite>.

In addition, you may choose to offer resources from our conference speakers. This is optional and up to each individual site. We have provided for you a short list of resources we feel would most likely connect to the speaker's talk and/or to the grandparent audience. You may find these resources at various locations including the speakers website, our Legacy Coalition website, Christian Book, and Amazon. When indicated with an asterisk, you will find those items on the Legacy Coalition Website.
