

Summit 2025 - Ordering Discounted Resources for Sale at your Event

Welcome host site churches! We highly recommend that you offer a sales table of resources to those grandparents attending your Summit event. Your attendees will quickly desire to acquire equipping tools as they catch the vision of Intentional Christian Grandparenting, and your church can have a big part to equip them by offering resources for sale at your event.

Legacy Coalition products and resources will be promoted in the printed conference program and during the event on the presentation screen, so be assured that your attendees will be eager for these resources to help them to be intentional Christian grandparents.

At our *new* Church Order webstore you'll find all Legacy Coalition branded products available for your sales table at the special host site church order discount, along with several 'adopted' books we know will be powerful equipping tools for grandparents.

Special Church Order Webstore link → legacycoalition.com/churchorders

How it works:

After the Legacy Coalition has received payment of your host site license fee and signed MOU from your church, the registration confirmation email will contain **two different discount codes** for purchase of resources from our special Church Order Webstore.

Code #1 - single-use \$100 credit (**expires Dec. 1, 2024**)

Code #2 - multiple-use 25% discount (**expires Jan. 21, 2025**)

Important - please observe these **expiration dates**.

These discounts codes and free shipping offers are **available for use by both US and Canada churches**.

Canada churches: We will ship your products free via USPS International Service, including brokerage costs. However, we have no means to also pay the GST/HST, since it is assessed once the shipment crosses the border. Therefore, please be aware that the GST/HST taxes (and a \$9.95 Canada Post handling fee) will be billed to you by Canada Post and must be paid before delivery.

What to order:

Please browse the store and assemble your own product order, and do remember to benefit from the 25% discount using the Code #2 - this code may be used multiple times by your Summit host site church to place any number of product orders by the expiration date.

Use Code #1 to receive a one-time \$100 credit against your order total.

If you aren't sure what to order, simply use Code #1 to purchase our **\$100 Sampler Kit** (with free shipping) containing a very wide variety of Legacy Coalition resources.

These items can be used for a browsing display to help attendees know what they would like to order (on their own) from our regular webstore at

legacycoalition.com/store - remind them to use the discount code 'lc10' to receive 10% off the retail price.

Attendees can place their own orders from **legacycoalition.com/store** using their smartphone while at the event!

Alternatively, you can use these items in the Sampler Kit as giveaways/door prizes at your event, or they can be sold to your attendees.

Again, if you want to make your own product selections, you may **use Code #1 for a one-time \$100 credit** applied to one order over \$100. (Did we mention that Code #1 is to be used only once by your church?)

Code #2 offers a 25% discount from the retail price on all orders for resources by our Summit Host Site churches.

(note: the 25% discount does not apply to the \$100 Sampler Kit.)

Code #2 **may be used for multiple orders** placed by the expiration date of Jan. 21, 2025.

- Free ground shipping applies to the \$100 Sampler Kit and to orders of 5+ items.
- You may sell these resources at full retail price or at a discount you determine.

- **You may use both Code #1 and Code #2 in the same order** to receive both the \$100 credit and the 25% discount.
- Again, the 25% discount code cannot be applied to the \$100 Sampler Kit.
- Neither discount code can apply to orders of **digital download** products from the Legacy Coalition.

Reminders and Important Notes:

- **Code #1 expires** at midnight Dec. 1, 2024
 - **Code #2 expires** at midnight Jan. 21, 2025
 - **Codes #1 & #2 are applicable only at legacycoalition.com/churchorders**
 - **Limit one \$100 Sampler Kit per church**, since these items are provided to you *at our cost* as a gesture of goodwill and encouragement. This limit of one kit applies to any order at any time by a church.
-
- Due to the discounts and free shipping from this Church Order webstore, **we are unable to accept returns of products.**
 - Due to the fact that church orders are processed by a volunteer team, we cannot offer expedited handling or shipping.
 - **All Sales Are Final.** Unsold resources can be sold at your future grandparenting events, given as gifts or door prizes, or added to your church library.
-
- **After Jan. 21, 2025**, you may instead order items from our *regular* webstore - click to legacycoalition.com/store and receive a 10% discount using the code '**lc10**'.
 - Orders over \$100 from this regular webstore **ship free via Media Mail using the code 'freeshipping'**, and expedited shipping is available only at this regular webstore.
 - Orders placed by 1pmEST at this regular webstore ship the same day.
 - This regular webstore is available throughout the year, along with the 10% discount code '**lc10**'.
